Bid Document

Invitation of bids for selection of Insurance Companies as Implementing Agencies (IA) for Pradhan Mantri Fasal Bima Yojana (PMFBY) in respect of J & K State for the year 2017 to 2019-20.

1. Offers are invited from all Insurance Companies designated / empanelled by DAC&FW, Government of India for submission of their financial bid (**Annexure-I**) for carrying out implementation of “**Pradhan Mantri Fasal Bima Yojana (PMFBY)**” in J & K state for the period of three years with effect from Kharif 2017, Rabi 2017-18, Kharif 2018, Rabi 2018-19, Kharif 2019 and upto Rabi 2019-20.
2. The Operational Guidelines (OGs) issued by Government of India would be the guiding parametres for implementation of this Scheme and shall prevail in case of any conflict between the clauses in bid document and the OGs.
3. During the years as notified above, the PMFBY will be implemented in 20 Districts of J & K State (except Leh & Kargil) covering notified food crops, cereals, oil seeds and annual commercial and annual horticulture crops viz., Paddy, Maize, Wheat, Oilseeds (Mustard), Saffron, Mango and Apple. The number of the crops to be brought under PMFBY shall be increased under a notification to be issued by the J&K Government in the coming years.
4. District-wise, crop-wise sum insured (SI)/Scale of Finance (SOF) and indemnity levels are available at **Annexure-II**.

5. Coverage and Exclusions

❖ Coverage of Risks

Following stages of the crop and risks leading to crop loss are covered under the Scheme.

- I. **Prevented Sowing/ Planting Risk** –Risk Insurance is provided when insured area is prevented from sowing/planting due to deficit rainfall or adverse seasonal conditions.
- II. **Standing Crop/(Sowing to Harvesting)** - Comprehensive risk insurance is provided to cover yield losses due to non-preventable risks viz., drought, dry spells, flood, inundation, pests and diseases, landslides, natural fire and Lightning,

storm, hailstorm, cyclone, typhoon, tempest, hurricane and tornado.

- III. **Post-Harvest Losses** - Coverage is available only up to a maximum period of two weeks from the harvesting for those crops which are allowed to dry in cut and spread condition in the field after harvesting against specific perils of cyclone, cyclonic rains and unseasonal rains. *(Last date by which harvesting should have been done is mentioned in seasonality discipline).*
- IV. **Localized Calamities** - Loss/damage resulting from occurrence of identified localized risks of hailstorm, cloudburst, landslide and inundation affecting isolated farms in the notified area.

6. **Coverage of farmers:**

- I. Compulsory component: All farmers availing Seasonal Agricultural Operation (SAO) loans from financial institutions (i.e. loanee farmers) for the notified crop/s are to be covered compulsorily.
- II. Voluntary component: The scheme is optional for non-loanee farmers. All farmers who have not availed any crop loan and are willing to get covered under PMFBY can purchase insurance through Banks/ Insurance Companies / their designated agents.

7. **General exclusions:** Losses arising out of war and nuclear risks, malicious damage and other preventable risks are not covered (refer para IV.2 of OGs of PMFBY).

8. **Selection of Insurance Company as Implementing Agency (IA):**

The final selection of IA from the bidders shall be done based on the lowest weighted premium quoted by the Company for all notified crops within the District (refer Para XXIII.9 of OGs of PMFBY). In case any Company does not quote for one or more notified crops in the District, the bid will be rejected for that District. Selection of Implementing Agency will be made by adopting the district-wise approach over the cluster approach as envisaged in OGs.

The Insurance Company quoting lowest weighted premium rate in the District would be declared as L-1 (refer Para XXIII.9 of

OGs of PMFBY for evaluation process) and will implement PMFBY for both loanee and non-loanee farmers. If any Company declines after being declared L1, the Company shall be barred for the coming season and L2 may be given the contract for the District for implementing the crop insurance scheme as L1 District-crop combination rates and so on to L3, L4 bidder as per the consent of insurance company.

9. **Premium rate and subsidy:** All farmers (loanee or non-loanee) enrolled under PMFBY will have to pay maximum premium 2% of the sum insured for Kharif crops, 1.5% for Rabi Crops or actuarial premium rate, whichever is lower, for food crops (all Cereals & Pulses), oil seeds and maximum 5% of sum insured or actuarial premium rate, whichever is lower, for annual commercial/annual horticulture crops. The difference between the actuarial premium rate and farmer share would be equally borne by the State Government and Central Government in the ratio of 50:50.

Based on the fair estimates of coverage, State Government will ensure to make an advance payment of 50% of subsidy liability to insurance companies and will settle the balance subsidy payment on submission of final figures by insurance companies.

10. **Claim liability:**

Insurers shall be responsible to settle all the admissible claims which would arise due to the conditions/eventualities as detailed in Para XI.10, XII to XVI of operational guidelines of PMFBY. Insurers shall be responsible for payment of claims up to the ceiling as stated in Para VIII.4 of Operational guidelines of PMFBY.

11. **Bank Services Charges:** Bank and other financial institutions etc. shall be paid service charges @ 4% of the premium collected from farmers. Rural agents engaged in providing insurance related services to farmers may be paid appropriate commission as decided by the insurance company, subject to cap prescribed under IRDAI regulations. Banks may submit their Invoice in the format prescribed as **Annexure-III**.

12. **Notification of Crops and Area:**

The scheme will operate on the principle of "**Area Approach**" in the defined areas called Insurance Unit (IU). The

scheme in the state will operate on block level covering village/villages, panchayat/ panchayats of a particular block for notified crops. (List of notified crops along with notified village/villages, panchayat/panchayats is attached at **Annexure-IV**).

13. **Notified Automatic Weather Stations (AWS):**

For the purpose of assessment of on account payment of claims and claims for prevented sowing/planting risk, list of weather stations will be notified in the State's Notification and shall be installed by the Insurance Companies also through accredited agencies at the Block level for generating reliable weather data required under PMFBY.

14. **Notification of Calamity year(s) for the Calculation of Threshold Yield (TY):**

According to provisions contained in OGs, maximum two calamity years (if any) are excluded to arrive at the Threshold Yield (TY). The Actual Yield at Reference Unit Area (RUA) which would be determinate to CD Block level (or in absence, for the next higher level) for 10 previous seasons may be collected from the Department on or before the date reflected in the timeline. The yield data of the Department will be final for the purpose of calculating claims. The threshold yield based on which claims are to be calculated is provided in **Annexure-V**.
