Sub: Fixation of Sale-Rates of Kharif Seeds 2021-Regarding.
Minutes of Meeting

A Meeting under the Chairmanship of Director Agriculture Production & Farmers Welfare, Jammu was held on **Monday, the 5th of April, 2021 in the Krishi Bhawan, Talab Tillo, Jammu** for fixation of Sale Rates of Kharif Seeds 2021.

The proposal received from Joint Director Seeds, Pesticides & Fertilizers was discussed threadbare and the following decisions were taken unanimously.

1. That the sale rates of seeds (Kind & varieties) approved during 2020-21 shall remain the same for 2021-22. The escalation if any, in landed cost on account of rounding off the procurement rate of 2020-21 as approved by Departmental Purchase Committee, the stability of sale rate shall be maintained by way of matching subsidy so that sale rates may remain at par during 2021-22.
2. That the sale rates of new introductions (varieties) will be proportional to the last year proportion of subsidy provided in the prevalent varieties.
3. That the subsidy shall be admissible to farmers only and any other agency/Department indenting the Departmental Seed shall be charged landed cost.
4. That the Joint Director Seeds, Pesticides & Fertilizers Jammu shall notify the sale rates accordingly.

The meeting ended with gratitude to the chair.
