

Advertisement and Terms of Reference (TOR) For Individual Consultant Selection of “Manager MIS & IT” Under “Competitiveness Improvement of Agriculture and Allied Sector Projects In Jammu & Kashmir (JKCIP)

Project Director, JKCIP, working under the Agriculture Production Department, Government of Jammu & Kashmir, invites applications for the position of “**Manager MIS & IT**” under JKCIP. The engagement will be on a contractual basis, initially for one year, with the possibility of extension based on performance and project requirements. Details to apply and critical information is given hereunder.

Implementing Agency: Mission Directorate, JKCIP; Agriculture Production Department, J&K

Funding Agency: International Fund for Agricultural Development (IFAD)

Project Period: 7 years

Location: J&K

Contract Type: Individual Consultant Selection (ICS)

Duration: The initial engagement will be for one year, with the possibility of extension annually based on performance and project requirements.

Background

The “Competitiveness Improvement of the Agriculture and Allied Sector Projects in Jammu & Kashmir (JKCIP)s, an IFAD funded project’s main objective is to increase farmer incomes by improving the competitiveness of their agriculture and horticulture economy keeping in mind the sensitivity of environmental and natural resources in the project area and adaptation practices that strengthen the climate resilience of all beneficiaries involved. The Project’s primary focus is to address the production and productivity constraints of high value niche crops and horticultural crop value chains through climate resilient technologies, and value addition, through grading, packing, storing and processing with market linkages for improved price realization. JKCIP supplements and complements HADP by addressing thematic and financing gaps to address the value chain constraints. JKCIP will have four inter-linked components:

- (i) Climate-smart and market-led production;
- (ii) Agri-business ecosystem development support;
- (iii) Support to vulnerable communities; and
- (iv) Project Management.

General Terms & Conditions

Prohibited practices

The Fund requires that all beneficiaries of IFAD funding, including the client and any consultants, implementing partners, service providers, suppliers, sub-suppliers, contractors, sub-contractors, consultants, sub-consultants, and any of their agents (whether declared or not) and personnel observe the highest standards of ethics during the procurement and execution of such contracts, and comply with IFAD's Policy on Preventing Fraud and Corruption in its Activities and Operations, revised on 12 December 2018 (Refer IFAD website for details)

For the purposes of these provisions, and consistent with IFAD's Anticorruption Policy, the terms set forth below are defined as follows, and referred to collectively as "Prohibited Practices":

- a. "corrupt practice" is the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value in order to improperly influence the actions of another party;
- b. "fraudulent practice" is any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party in order to obtain a financial or other benefit or to avoid an obligation;
- c. "collusive practice" is an arrangement between two or more parties designed to achieve an improper purpose, including improperly influencing the actions of another party;
- d. "coercive practice" is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of any party, to improperly influence the actions of that or another party;
- e. "obstructive practice" is (i) deliberately destroying, falsifying, altering or concealing evidence that may be material to an investigation by the Fund or making false statements to investigators in order to materially impede an investigation by the Fund; (ii) threatening, harassing or intimidating any party in order to prevent that party from disclosing its knowledge of matters relevant to an investigation by the Fund or from pursuing such an investigation; and/or (iii) the commission of any act intended to materially impede the exercise of the Fund's contractual rights of audit, inspection and access to information.

The Fund will deny financing of a proposed contract award if it determines that the firm or individual recommended for award, or any of

- a. its personnel or agents, or its sub-consultants, sub-contractors, service providers, suppliers, sub-suppliers and/or any of their personnel or agents, has, directly or indirectly, engaged in any of the prohibited practices in connection with an IFAD-financed and/or IFAD-managed activity or operation, including in competing for the contract.

In accordance with IFAD's Anticorruption Policy, the Fund has the right to sanction firms and individuals, including by declaring them ineligible, either indefinitely or for a stated period of time, to participate in any IFAD-financed and/or IFAD-managed activity or operation. This may include ineligibility to: (i) be awarded or otherwise benefit from any IFAD- financed contract, financially or in any other manner; (ii) be a nominated sub-contractor, consultant, manufacturer, supplier, sub-supplier, agent or service provider of an otherwise eligible firm

being awarded an IFAD- financed contract; and (iii) receive the proceeds of any loan or grant provided by the Fund.

The Fund also has the right to unilaterally recognize debarments by any of the International Financial Institutions that are members to the Agreement for Mutual Enforcement of Debarment Decisions if such debarments meet the requirements for mutual recognition under the Agreement for Mutual Enforcement of Debarment Decisions.

In addition, the Fund has the right to, at any time, declare a misprocurement and/or the ineligibility of any expenditures associated with a procurement process or contract if it determines that prohibited practices occurred in connection with this procurement process or contract and that the borrower/recipient has not taken timely and appropriate action, satisfactory to the Fund, to address such practices when they occur.

Bidders, consultants, contractors, and their sub-contractors, sub- consultants, service providers, suppliers, agents and personnel, are required to fully cooperate with any investigation conducted by the Fund into possible prohibited practices, including by making personnel available for interviews and by providing full access to any and all accounts, premises, documents and records (including electronic records) relating to the relevant IFAD-financed and/or IFAD-managed operation or activity and to have such accounts, premises, records and documents audited and/or inspected² by auditors and/or investigators appointed by the Fund.

The consultant is obliged to disclose relevant prior sanctions and criminal convictions and any commissions or fees paid or are to be paid to any agents or other party in connection with this procurement process or the execution of the contract.

The consultant shall keep all records and documents, including electronic records, relating to this procurement process available for a minimum of three (3) years after notification of completion of the competition process or, in case the consultant who is awarded the contract, execution of the contract.

SECAP

Performance Standards

The resulting contract will be implemented in a manner consistent with SECAP, available on <https://www.ifad.org/secap>.

Sexual Harassment, Sexual Exploitation and Abuse

The Fund requires that all beneficiaries of IFAD Funding, including the client and any consultants, implementing partners, service providers, suppliers, sub-suppliers, contractors, sub-contractors, sub-consultants, and any of their agents (whether declared or not) and personnel comply with IFAD's Policy to Preventing and Responding to Sexual Harassment, Sexual Exploitation and Abuse. For the purpose of this provision, and consistent with IFAD's Policy to Preventing and Responding to Sexual Harassment, Sexual Exploitation and Abuse as it may be amended from time to time, the terms set forth below are defined as follows:

Sexual harassment means “any unwelcome sexual advance, request for sexual favour or other verbal, non-verbal or physical conduct of a sexual nature that unreasonably interferes with work, alters or is made a condition of employment, or creates an intimidating, hostile or offensive work environment.

Sexual exploitation and abuse means any actual or attempted abuse of a position of vulnerability, differential power, or trust, for sexual purposes, including, but not limited to, profiting monetarily, socially or politically from the sexual exploitation of others (sexual exploitation); the actual or threatened physical intrusion of a sexual nature, whether by force or under unequal or coercive conditions (sexual abuse).

Clients and consultants shall take all appropriate measures to prevent and prohibit SH and SEA on the part of their personnel and subcontractors or anyone else directly or indirectly employed by them or any of subcontractors in the performance of the contract. Clients and consultants shall immediately report to the client or IFAD any incidents of SH and SEA arising out of or in connection with the performance of the contract or prior to its execution, including convictions, disciplinary measures, sanctions or investigations. The client may take appropriate measures, including the termination of the contract, on the basis of proven acts of SH, SEA arising out of or in connection with the performance of the contract.

The consultant is required to disclose any relevant prior sanctions, convictions, disciplinary measures or criminal records.
